We are excited to offer another local, low cost, educational volleyball program this year. Our focus is for Gretna girls in 2nd, 3rd, or 4th grade who are just beginning or continuing to learn the game of volleyball. The first 40 minutes of the practice will be skill-based drills led by G1 coaches, followed by 15-20 minutes of scrimmaging/games with another court. The last week will be primarily scrimmages, we invite families to come watch!
