METROPOLITAN
Community College

OPEN KITCHEN WORKSHOPS TEEN SUMMER CAMPS FORT OMAHA CAMPUS, INSTITUTE FOR THE CULINARY ARTS, 30TH AND FORT STREETS

SUMMER CAMPS SPONSORED
IN PART BY FAMILY FARE

Class sections must have eight enrolled participants seven days prior to session date or they will be cancelled.

CULINARY ADVENTURE CAMP

Begin each day discovering the ingredients necessary to start an exciting culinary journey. Then, let our experienced chef-instructors and culinary students lead you through the kitchen where you will practice your skills with a knife and at the stove. Finally, take a seat in the dining room to taste and evaluate the quality of your work. Each day is a new adventure. Come hungry. (Ages 12-18)

TEEN 224N-80 MTWTH 7/10-7/13 9:00A-2:00P \$100
TEEN 224N-81 MTWTH 7/17-7/20 9:00A-2:00P \$100

NEW RESTAURANT CAMP

Prerequisite: Culinary Adventure Camp (Teen) or Culinary Discovery Camp (Kids)

Here's your chance to put your culinary skills to the test in a live, guest-centered environment! Spend Monday and Tuesday learning menus and procedure for lunch service, and then prepare and serve lunch to-order in our bistro on Wednesday and Thursday! (Ages 8-18)

TEEN 225N-80 MTWTH 7/31-8/3 9:00A-2:00P \$100

NEW AFTER-CAMP

Staff at the Institute for the Culinary Arts will provide a light snack, a beverage and some screen time from 2 - 4 p.m. each day after camp. Register for the week coinciding with the culinary camp for which you are registered.

TEEN 227N-80 MTWTH 7/10-7/13 2:00P-4:00P \$20
TEEN 227N-81 MTWTH 7/17-7/20 2:00P-4:00P \$20
TEEN 227N-82 MTWTH 7/31-8/3 2:00P-4:00P \$20

NEW CULINARY X CAMP

Meet once a week for four weeks, and get next-level learning about food. Explore the exciting world of food science, see how chefs use high-tech equipment in their culinary conquests and learn about food in a way that goes way beyond chopping and cooking. (Ages 16- 18)

TEEN 226N-80 M 07/10-7/31 4:00P-8:00P \$100

ELKHORN VALLEY CAMPUS 204TH ST. AND WEST DODGE RD. JUNE 5-9

NEW LIFE LAUNCH LEADERSHIP CAMP

We're all leaders of some kind. Uncover your leadership qualities through a full week of self-discovery and team-building activities. Learn how to communicate and work collaboratively with other teens as we touch upon leadership cornerstones such as ethics, communication, organizational skills and more. We'll decode personalities and examine which character traits you may share with some of the world's greatest leaders. Explore improv acting and learn to think on your feet to prepare for a short presentation on the last day before our instructional fine dining luncheon. Develop a working resume to reflect your skills and experiences and learn to interview confidently. Finally, explore what higher education could be like as we do a short discovery tour around the MCC campus and meet various program coordinators. Bring a sack lunch Monday-Thursday. Lunch will be provided on Friday. Supplies included. (Ages 14-17)

TEEN 228N-80 MTWTHF 10:00A-2:00P \$175

SUMMER PAYCATION USING PHOTOSHOP

Are you thinking about starting your own business for some extra cash this summer? Engage in discussion about your business interests and share ideas about promoting your current or new business, whether it be lawn mowing or babysitting. We'll start with the basics of Photoshop and create a cartoon animation complete with special effects. We'll move on to creating your own logo, business cards, brochures, posters and, lastly, create and design your very own website to promote your business. Learn how to use animated gifs on your website. Flash drive included. (Ages 12-15)

TEEN 229N-80 MTWTHF 2:00P-4:00P \$80

SUPERHEROES FILM CLASS

Are you a teen who can easily recite all of the members of the Avengers or the Justice League? Do you know the alter egos of The Flash, Spider-Man and Batman? This class is devoted to all things superheroes, but we won't simply be watching these colorful characters on screen. We'll be discussing their origins from original creation to big screen incarnation. We'll also be talking about all the behind-the-scenes work that goes into bringing these characters to life. Finally, we'll talk about the movies that no one ever saw due to development problems. Come for the movies, TV shows and comic books featuring your favorite heroes, but stay for the in-depth education about these characters and their appearances on the big and small screen. All movies are PG or PG-13. Comic books and supplies included. (Ages 12-15)

TEEN 242N-80 MTWTHF 4:00P-6:00P \$95

STAR WARS™ FILM CLASS

Experience all the joy of "Star Wars," with teens just like you, while taking a journey through film and television. Discover how the original trilogy was created and better appreciate the brilliant storytelling in these films, which have inspired so much of our culture today. Jump ahead in time and discuss the prequel trilogy. What worked and what didn't work. Discuss and present your best arguments for both sides of this cinematic debate. Finally, we'll look at more recent "Star Wars" entertainment, including "The Clone Wars," "Rebels," "Star Wars: The Force Awakens" and "Rogue One: A Star Wars Story." Don't worry, parents, we won't just be watching movies and television. We'll be discussing visual storytelling, creative writing, mythology and more. All movies are PG or PG-13. Comic books and supplies included. (Ages 12-15)

TEEN 243N-80 MTWTHF 6:30P-8:30P \$95

Take all three camps at Elkhorn Valley Campus and receive a discount. Use this course number to register for all three camps. Life Launch Leadership Camp is not included. From 6-6:30 p.m., a short dinner break will be taken in the Commons area. Bring a sack dinner.

TEEN 500N-80 MTWTHF 2:00P-8:30P \$230

APPLIED TECHNOLOGY CENTER 10407 STATE ST.

FIRE TEEN SAFETY CAMP

Calling all up-and-coming babysitters! Calling all teens interested in emergency services! Learn the proper procedures of CPR, first aid, tying knots and the use of an AED. Gain the basic skills necessary to effectively identify and treat emergencies in the critical first minutes of injury or illness. Learn proper fire extinguisher usage while participating in a small fire and learn sound decision-making processes on when to use an extinguisher. Explore different career opportunities and be challenged mentally and physically as you are introduced to your new role as an emergency care provider. Watch real firefighters demonstrate an emergency situation. End camp with a completion ceremony. Supplies included. (ages 12-15)

TEEN 230N-80 MTWTHF 6/12-6/16 9:00A-12:00P \$115

CUSTOM AUTOMOTIVE ART

This class is an informative introduction to automotive customization, restoration, modifications and history of car culture from an auto body and paint stand point. Designed to provide the student with a basic introduction of the industry, this class will start with with safety, materials, applications and ends with career opportunities. Learn to plan, budget and build projects from the ground up. Students will also introduce some of the basic skills to prepare projects for paint application and design. (ages 15-18; SKIPS 6/21 & 6/22)

TEEN 256N-80 WTH 6/7-6/29 6:00P-8:00P \$90

FORT OMAHA CAMPUS 30TH AND FORT STREETS JUNE 19-23

NEW

MAKE SPARKS FLY-WELDING CAMP

Learn shop safety and the basics to cut and weld steel using oxy-acetylene, just like the professionals! In our fully equipped lab, discover how to design and create a unique metal art piece to take home and share with friends and family. Students must wear leather shoes, long sleeves and long pants. Supplies included. (Ages 14-17)

TEEN 234N-80 MTWTHF 2:00P-5:00P \$115

SOUTH OMAHA CAMPUS 27TH AND Q STREETS

NEW - Evening Hours

CAR CARE CAMP

Explore many different topics starting with shop safety and ending with career opportunities. Learn to install windshield wipers, tires and rims. Experience making easy repairs and learn to replace different parts such as lightbulbs and even do fluid checks. Students must wear closed-toe shoes and long pants. No class on Friday. (Ages 15-17)

TEEN 240N-80 6/19-6/22 MTWTH 6:00P-9:00P \$90

NEW

COLOR OUTSIDE THE LINES ART CAMP

This camp is set up to bring the budding artist out of you! Bring your creativity and explore a different type of art each day. Go big with charcoal drawing, design your very own mosaic masterpiece, create an oil pastel with your fingers, discover the beauty of watercolor and lastly, use old fashioned quill pens and learn to draw with India ink. End camp with an art gallery show to display your works of art for your family and friends at 6 p.m. on Friday. Supplies included. (Ages 12-15)

TEEN 239N-80 6/26-6/30 MTWTHF 10:30A-12:30P \$125

NEW

DRUM ROLL PLEASE

Learn basic drum beats in a fun and supportive environment. Discover how you can play a drum set with most kinds of music. Make some beats while experimenting with different types of percussion. Finally, experience playing a drum set with a real-live blues band. End camp with a jam session to show off your new skills for your family and friends at 6:30 p.m. on Friday. (Ages 12-15)

TEEN 241N-80 6/26-6/30 MTWTHF 1:00P-3:00P \$75

Take both camps at South Omaha Campus and receive a discount. Car Care Camp is not included. Use this course number to register for both camps. From 12:30-1 p.m., a short lunch break will be taken in the Commons area. Bring a sack lunch.

TEEN 501N-80 MTWTHF 10:30A-3:00P \$170

SARPY CENTER 9110 GILES RD., LA VISTA JULY 10-14

NEW STOP MOTION ANIMATION

Unleash your creativity by making your own stop-motion animation video. Bring in your favorite action figures, vehicles and spaceships to create a short film. Recreate a scene from the movies or design a new world of your own. This is a great opportunity to bring your ideas to the screen! A flash drive will be provided so you can take your creation home to share with friends and family. (Ages 12-15)

TEEN 244N-80 MTWTHF 10:00A-12:00P \$80

NEW SPEC SCRIPT VS. FAN FICTION

Imagine Batman and Captain America squaring off, Doctor Who and Sherlock Holmes solving a mystery together, or brand new characters working together or against one another. All these potential ideas could move from your imagination to the page if you joined the brand new fan-fiction and spec-script writing camp. In this camp, you will not only improve your skills as a writer with the help of an experienced writing teacher, you'll also learn how to put fan favorite and original characters into new stories. By the end of the camp, you will have both a short spec script and fan-fiction piece completed. This is an awesome opportunity to bring your weird and wonderful ideas to life! (Ages 12-15)

TEEN 245N-80 MTWTHF 12:30P-2:30P \$80

DISSECTION BOOTCAMP

Grab your gloves and participate in this unforgettable hands-on class to uniquely explore the inside structure found in several different animals. Learn to use the equipment properly and discover animal needs, disease, parasites, genetic disorders and identify organs. With step-by-step directions, dissect a clam, earthworm, grass frog, starfish, sponge, honeybee, hydra, grasshopper, crayfish, perch, pig, rat plus a surprise specimen. Take advantage of this great opportunity! All supplies included. (Ages 12-15)

TEEN 231N-80 MTWTHF 2:30P-4:30P \$125

Take all three camps at Sarpy Center and receive a discount. Use this course number to register for all three camps. From noon-12:30 p.m., a short lunch break will be taken in the Commons area. Bring a sack lunch.

TEEN 502N-80 MTWTHF 10:00A-4:30P \$240

Refund Policy: Cancellations made by MCC are fully refunded. Cancellations made by the student one business day before the start of a camp will be refunded. No refunds will be issued for camps dropped on or after the class begins.

Register early, camps fill up quickly!

ELKHORN VALLEY CAMPUS 204TH ST. AND WEST DODGE RD. JULY 17-21

NEW TEEN IMPROV

Explore the exciting art of improvisation with other teens your age. Develop expertise in creative thinking, self-confidence, brainstorming, team building, rapport and communication. Practice acting, storytelling and comedy. Make it up, think on your feet, create wild stories and silly characters while having tons of fun. Expect lots of laughter. (Ages 12-15)

TEEN 232N-80 MTWTHF 10:00A-12:00P \$80

ACTING OUT: FIRST PAGE TO CENTER STAGE

Do you need some guidance with current or future performance endeavors? Experience the process of script selection, rehearsal and performance. Develop skills in improvisational acting, movement-based theatre, vocal expression, dramatic and comedic performance. Practice traditional acting techniques, script analysis, playwriting, breathing, speaking and musical theatre. Focus on skills and techniques to better prepare for giving monologues, perfecting scene work with partners, preparing for auditions and shining on center stage. Invite family and friends to watch you perform on Friday at 6 p.m. (Ages 12-15)

TEEN 233N-80 MTWTHF 12:30P-02:30P \$80

Take both camps at Elkhorn Valley Campus and receive a discount. Use this course number to register for both camps. From noon-12:30 p.m., a short lunch break will be taken in the Commons area. Bring a sack lunch.

NEW

CLASSROOM COUTURE – SPARK YOUR FASHION PASSION!

Artistic touches and craftsmanship can't be acquired in any other way than by practice and patience. As time goes on, your work becomes easier to perform and your developing craftsmanship becomes more uniquely identifiable to you.

Feed your creative soul at Classroom Couture, learn basic design and sewing skills. Experience challenging and creative projects. Limited seating.

HAND SEWING

It's said, "the best of everything is the cheapest in the end," so before your thread gets on the spool, begin with the basics of hand sewing. In this hands-on workshop, participants learn how to wax thread, use a thimble, stitch an array of useful, beautiful hand, hemming and seaming stitches commonly used in couture sewing. Go to mccneb.edu/ce for a supply list. Hand sewing only. No sewing machines allowed. Bring a sack lunch. (one session)

TEEN 235N-80 W 6/7-6/7 10:00A-1:30P \$45 Ages 12-14
TEEN 235N-81 W 6/21-6/21 10:00A-1:30P \$45 Ages 15-17

CREATING FABULOUSLY FUN FABRIC

Textile arts are hot; so get your creativity on! In this hands-on workshop, participants have an opportunity to hand dye cotton using both natural and synthetic dyes to create their own personalized fabric. Go to mccneb.edu/ce for a supply list. Bring a sack lunch. (one session)

TEEN 236N-80 W 6/14-6/14 10:00A-1:30P \$45 Ages 12-14
TEEN 236N-81 W 6/28-6/28 10:00A-1:30P \$45 Ages 15-17

DRAWING FASHION SKETCHES

Create a fashion mood board and receive an overview on basic fashion illustration/sketching; while water coloring, inking and more! No artistic skills required other than a desire to have fun! Supplies included. Bring two or three of your favorite fashion throw-away magazines and a sack lunch. (one session)

TEEN 237N-80 TH 6/15-6/15 10:00A-1:30P \$65 Ages 12-14
TEEN 237N-81 TH 6/29-6/29 10:00A-1:30P \$65 Ages 15-17

VINTAGE DESIGNING

Discover an array of common couture techniques and practices while making a muslin of a basic shirt using a true vintage commercial pattern; then construct the muslin in its final fabric. Experience using professional dress forms as fit models. Go to mccneb.edu/ce for a supply list. Bring a sack lunch. Basic sewing skills required. (two weeks)

TEEN 238N-80 WTH 7/12-7/13 10:00A-1:30P \$90 Ages 12-14

TEEN 228N-81 MTWTHF 7/17-7/21 10:00A-2:00P \$175

MAKE YOUR FIRST VIDEO GAME! - JUNE 5-8

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2-D platformer game. Conceptualization, play experience, level design, graphics, sounds and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Student-created games will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers, Mac versions can be created after the program for \$15 conversion fee. Students will work in pairs or teams for most of the program. (Ages 11-14)

TEEN 246N-50 6/5-6/8 MTWTH 1:00P - 4:00P \$ 175

APP ATTACK! - JUNE 12-15

Take the first steps into the world of mobile app design and customize your own game app! Using a specialized app and game development tool, students will explore the world of web-based (HTML5) mobile apps. In addition to learning the basics of mobile app design and game development, you will also see firsthand how the world of app publishing functions. Student-created apps will be accessible on a private site and can be played on any mobile device or computer. Publishing to app stores not included. No prior experience is necessary and students do not need to own a smartphone or tablet to take the class. Students will work in pairs or teams for most of the program. (Ages 11-14)

TEEN 247N-50 6/12-6/15 MTWTH 1:00P-4:00P \$ 175

MAKE YOUR FIRST 3-D VIDEO GAME! - JUNE 19-22

Try this new version of a Black Rocket classic! This class allows you to develop a game concept that goes well beyond the limitations of the traditional 2-D game design classes and create an immersive 3-D world. Students will learn the physics behind 3-D games, explore beginner event scripting, level design, controlling flow of gameplay and story telling. Student-created games will be available on a password-protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. (Ages 11-14)

TEEN 248N-50 6/19-6/22 MTWTH 1:00P-4:00P \$ 175

CODE BREAKERS - JUNE 26-29

Calling all future coders, programmers and designers! Learn the basics of coding languages like HTML, JavaScript and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be the next Mark Zuckerberg or the high school student who just made \$1 million dollars for programming in his bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. (Ages 11-14)

TEEN 249N-50 6/26-6/29 MTWTH 1:00P-4:00P \$ 175

MINECRAFT® ANIMATORS - JULY 10-13

Bring your favorite Minecraft characters to life in an animated short film! Learn how studios like Pixar and Disney make movies like "Inside Out" and "Frozen" by using techniques like keyframing, tweening, texturing and animating rigged 3-D models! Student projects will be available on a password-protected Black Rocket website to share with friends and family. You do not need to own a Minecraft account to use the software in this class. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. Mac users can play their project at home, but will not be able to edit the project without a PC. (Ages 11-14)

TEEN 250N-50 7/10-7/13 MTWTH 1:00P-4:00P \$ 175

MINECRAFT® DESIGNERS - JULY 17-20

If you love Minecraft and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3-D models using a new software to design your very own objects, how to build with Redstone and Command blocks and create custom textures for you to import at home or share with friends. To access their project at home students, must own a PC/MAC version of Minecraft. Tablet, phone and game console versions of Minecraft are not compatible. Parent email address is required to use 3-D modeling software. Students will work in pairs or teams for most of the program. (Ages 11-14)

TEEN 251N-50 7/17-7/20 MTWTH 1:00P-4:00P \$ 175

MINECRAFT® MODDERS - JULY 24-27

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password-protected Black Rocket website to share with friends and family. To access their project at home students must own a PC/MAC version of Minecraft. Tablet, phone and game console versions of Minecraft are not compatible. Students will work in pairs or teams for most of the program. (Ages 11-14)

TEEN 252N-50 7/24-7/27 MTWTH 1:00P-4:00P \$175

VIDEO GAME ANIMATION - JULY 31-AUGUST 3

Take your game design skills to the next level by creating and animating your own character sprites, objects and backgrounds. Start with a name, develop the character's personality, signature moves, special powers and a story line. Finish with a fully animated character to be used in your very own game. Students do not need any prior experience in game design, animation or sketching. Student-created games will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for \$15 conversion fee. Students will work in pairs or teams for most of the program. (Ages 11-14)

TEEN 253N-50 7/31-8/3 MTWTH 1:00P-4:00P \$175

ROBOTICS SUMMER TEEN CAMPS

MCC ROBOTICS AND PROGRAMMING CAMP - JUNE 19-23 For students entering fourth to eighth grade, ages 9-13:

Experimental. Student-centric. Collaboration. These are some of the skills students will learn in this workshop. Students will also pair their creativity and critical thinking skills with state-of-the-art STEMBot technologies and the master design thinking process (define, ideate, prototype and test) to create student-driven robotic systems. This class focuses on the programming side of the assembled system and students will assemble each of the components and use programming language to create new robots designed to complete specific challenges. Each day will cover a separate lesson plan culminating in an exposition-styled competition event on the final day of camp. (Students will need to bring their own sack lunches).

KIDS 383N-60 6/19-6/23 MTWTHF 9:00A-3:00P \$199

NEBRASKA ROBOTICS - SESSION 1 - MCC AT DO SPACE JUNE 3-24

CEENBoT challenges at MCC at Do Space. Picking up where the expo left off, this class will challenge students to use their skills to collaboratively work on problem-based learning projects, robotics, electronics and engineering design. Students will use the latest technologies to design and build programs to control their robots in real-world challenges. Students will receive customized instruction specific to their level of training and they will use critical thinking and creativity to program and use their newly assembled robots. Each session will cover separate lesson plans and culminate in an expo-styled competition event on the final day of camp. (Ages 13-17)

TEEN 254N-50 6/3-6/24 SA 1:00P-4:00P \$99
