## LEARN. CREATE. BUILD.

### BUILDING 2-D VIDEO GAMES

Let me guess, your child LOVES playing video games? What if they were able to take that passion for playing video games, and turn it into a passion for building video games? That's exactly what we do with our 2-D Video Game Design camp. We teach students the basics of designing and developing 2-D video games. You might be familiar with 2-D video games such as Angry Birds, Candy Crush, and Mario. During the camp your child will learn to build their own unique 2-D video games. Each student is asked to bring their own sack lunch. (Ages 8-14)
