## Who Do We Serve?

The Tri-City Food Pantry serves the people who live in the greater Sarpy County community. Many people believe the problems associated with hunger are confined to small pockets of society or certain neighborhoods but the reality is much different. Right now, many people here in our community are struggling with hunger. They may have recently lost a job or are disabled and unable to work. They are often hard-working adults, children and seniors who simply cannot make ends meet.

## How Can You Help?

Non-perishable food is collected from a variety of sources: local churches, schools, businesses, community service programs, local groups and organizations, individuals and families. The Pantry uses cash donations to purchase meat, support our milk, egg and cheese program and to buy food when levels are getting low. Our goal is to provide caring, reliable service for those in need in our community.

Food drives can be highly rewarding! Encourage others in your church, neighborhood or organization to sponsor a food drive for your local Tri-City Food Pantry. Contact us for more information.
